## What Level of Improvement is Typical for ACT Ready Students?

ACT Ready welcomes students of all academic abilities. The data below shows typical gains of our students based on their initial skill level and the proportion of students who begin at each skill level. The last column indicates the average composite score gain students achieve on their exam day. Students were enrolled in a class between September 2010 and June 2017.

Skill Level	ACT Baseline Composite Score Starting Range	% of Students in Starting Range	Ave. Composite Point Gain (From Baseline to Exam Day Score)
1	9 to 17	5.1%	5
2	18 to 20	16.4%	4
3	21 to 24	38.8%	4
4	25 to 28	37.8%	3
